

Work Experience

Assistant Multimedia Editor - The Peak SFU

January 2019 - Present

Assist with producing and editing digital content for the online presence of Simon Fraser University's student newspaper. Projects include social media content, video features, and podcasting.

UX / Graphic Designer - Plasmatic Technologies Inc.

January 2018 - August 2018

Worked as the lead designer on a consumer-facing smart home mobile app in parallel with a service provider dashboard. Also handled any additional graphic, collateral, and presentation designs required by the company.

Writer & Graphic Designer - The Vita Lounge

Apr 2014 - Nov 2014

Garnered over 10k views writing Playstation Vita news, features, and critical reviews via Wordpress. Created graphics with Adobe software for the website's social media accounts and podcast.

Office Assistant - Target Land Surveying

Summer 2014

Assisting with various tasks at Coquitlam office, including tech support, filing, and navigating municipal GIS databases.

Volunteer Experience

Video Producer - Push Square

October 2018 - Present

Independently pitch, write, record, and edit video content for Push Square, a Playstation focussed news outlet. Produced videos get published to over 74k subscribers.

YouTube Content Creator

Feb 2006 - Present

Been involved in making YouTube videos from both sides of the camera for over 10 years, with over 100k views across multiple channels. The range of content includes narrative shorts, instructional videos, and video game content.

Director of Web & Social Media - IATSU

May 2017 - Apr 2018

Elected executive position responsible for coordination and upkeep of the student union's social media channels, as well as developing/maintaining the IATSU website and any subdomains.

About

I am a conscientious, hard-working senior design student looking for a position where I can focus on utilizing and expanding my current skillset in media production.
